Driving north on Olive Street

1. Turn left into the last driveway of the parking structure.
   - This entrance has no bollards and is the last entrance that has a bright yellow grate. Proceed up the ramp, stay in the left lane and a police officer will greet you. You will be asked for your identification and to unlock your trunk, and he will look under your car with a mirror.

2. Park in any space not marked on levels P3 and P6.

3. Proceed to the elevator and push “1” to get to the security check-point lobby.
   - After you have cleared security, go through the turnstile door using your badge, go to the interior elevator and proceed to the 5th floor.

Pedestrians

There are two entrances: Grand Avenue and Olive Street.
