Call for papers
2013 ASCE International Workshop on Computing in Civil Engineering
June 23-25, 2013
University of Southern California, Los Angeles, CA, USA

The IWCCE 2013 Organizing Committee cordially invites you to submit session proposals and 1-page abstracts (max. 300 words) for peer review. Accepted abstracts will be invited to submit a full paper (8 pages). Accepted papers will be invited for presentation at the workshop and published in its proceedings by ASCE. A selection of the top papers will be invited for publication to a special issue of the ASCE Journal of Computing in Civil Engineering.

Important Dates:
Abstract Submission: October 1, 2012
Abstract Decision: October 29, 2012
Paper Submission: January 14, 2013
Paper Decision: February 11, 2013
Final Paper Submission: March 4, 2013

Conference Tracks
• Computing for Resilience and Smart Structures
• Computing for Sustainability and the Environment
• Computing for Geo-Modeling and Geomechanics
• Computing for Intelligent Transportation Systems
• Computing for Construction Automation and IT
