

Spring 2026 Course Recommendations

General Reminders

- A minimum of a 3.0 GPA must be maintained to be in good academic standing and to be eligible to graduate
- Most courses are 2-unit or 4-units. Occasionally a 3-unit course exists as an elective option.
 Taking a 3-unit class can result in a student needing to take more than the minimum number of units needed to graduate.
- At least two-thirds of your coursework must be at the 500-level or higher.
 - For Progressive Degree Program (PDP) students, all coursework must be 500-level or higher. No 400-level courses will count toward your degree.

This is not a comprehensive list of requirements.

Review the <u>USC Catalogue</u> for Official Degree Requirements

Students working full-time should only enroll in <u>4 units</u>. Please reach out to your advisor on the <u>Advise</u>

<u>USC platform</u> if you have any additional questions.

Please direct advisor questions to on the <u>Advise USC platform</u>. Due to the high number of requests at this time, it may take up to 3 business days to receive a response.

MS – Emerging Technologies in Construction 28 Unit Minimum

At least 18 units must be at the 500-level or above, and at least 18 units must be completed in the Viterbi School of Engineering. These 18 units may reflect courses offered by other schools if cross-listed in a department in the Viterbi School. If required courses have been completed, please enroll in the appropriate number of electives to reach the 8 units required to maintain full-time enrollment.

Please Enroll	If required courses have been completed, choose any approved electives below.
 CE 578: Technology- Enabled Architecture, 	 CE 501: Architecture, Engineering and Construction Practices (4 Units)
Engineering and Construction (4 units)	 CE 502: Construction Accounting, Finance and Strategy (4 Units)
	 CE 532: Data Analytics in Civil Engineering (2 units)
	 CE 534: Retaining Structure and Slope Stability (3 units)
	 CE 569: Project Controls (4 units)
	 CE 583: Design of Transportation Infrastructure (4 units)

^{*} CE 501 is offered Summer 2026. If there is interest in taking this summer course, please consider a different course for Spring 2026.
