

General Reminders

- A minimum of a 3.0 GPA must be maintained to be in good academic standing and to be eligible to graduate
- At least two-thirds of your coursework must be at the 500-level or higher.
 - For Progressive Degree Program (PDP) students, all coursework must be 500-level or higher. No 400-level courses will count toward your degree.

This is not a comprehensive list of requirements.
Review the [USC Catalogue](#) for Official Degree Requirements

Students working full-time should only enroll in 4 units. Please reach out to your advisor on the [Advise USC platform](#) if you have any additional questions.

Please direct advisor questions to on the [Advise USC platform](#). Due to the high number of requests at this time, it may take up to 3 business days to receive a response.

MSCE – Structural Engineering **(Prior to Fall 2025)**

28 Unit Minimum

Please enroll in the required courses unless you have completed them in a prior semester. If required courses have been completed, please enroll in the appropriate number of electives to reach the 8 units required to maintain full-time enrollment.

Please Enroll	If required courses have been completed, choose any approved electives below.
• CE 532: Data Analytics in Civil Engineering (2 units) • CE 541: Dynamics of Structures (4 units)	• CE 501: Architecture, Engineering and Construction Practices (4 units) • CE 534: Retaining Structures and Slope Stability (4 units) • CE 537: Advanced Reinforced Concrete (4 units) • CE 540: Modeling and Analysis of Tall and Special Structures (2 units)
