

General Reminders

- A minimum of a 3.0 GPA must be maintained to be in good academic standing and graduate
- At least two-thirds of your coursework must be at the 500-level or higher.
 - For Progressive Degree Program (PDP) students, all coursework must be 500-level or higher. No 400-level courses will count toward your degree.

This is not a comprehensive list of requirements.
Review the [USC Catalogue](#) for Official Degree Requirements

Students working full-time should only enroll in 4 units.
Please reach out to your advisor if you have any additional questions.

If you have questions regarding policies or processes, please refer to the [Astani CEE Masters Advisement website](#). Any questions not covered on the website can be directed to your advisor on the [Advise USC platform](#). Due to the high number of requests at this time, it may take up to 3 business days to receive a response.

MSCE – Construction Engineering 28 Unit Minimum

Please enroll in the required courses unless you have completed them in a prior semester. If required courses have been completed, please enroll in the appropriate number of electives to reach the 8 units required to maintain full-time enrollment.

| Please Enroll | If required courses have been completed, choose any approved electives below. |
|--|---|
| <ul style="list-style-type: none"> • CE 501: Architecture, Engineering and Construction Practices (4 Units) • CE 502: Construction Accounting, Finance Strategy (4 Units)* | <ul style="list-style-type: none"> • CE 469: Sustainable Design & Construction (2 units)* • CE 470: Building Information Modeling: Project Visualization and Sim (4 units)* • CE 573: Advanced Technologies in AEC Practices (4 units)* • CE 574: Construction Means and Methods (4 units)* • ENE 505: Energy and the Environment (4 units)* • CSCI 455x: Introduction to Programming Systems Design (4 units)* • ISE 530: Optimization Methods for Analytics (4 units)* |
