

General Reminders

- A minimum of a 3.0 GPA must be maintained to be in good academic standing and graduate
- At least two-thirds of your coursework must be at the 500-level or higher.
 - For Progressive Degree Program (PDP) students, all coursework must be 500-level or higher. No 400-level courses will count toward your degree.

This is not a comprehensive list of requirements.
Review the [USC Catalogue](#) for Official Degree Requirements

Students working full-time should only enroll in 4 units.
Please reach out to your advisor if you have any additional questions.

If you have questions regarding policies or processes, please refer to the [Astani CEE Masters Advisement website](#). Any questions not covered on the website can be directed to your advisor on the [Advise USC platform](#). Due to the high number of requests at this time, it may take up to 3 business days to receive a response.

MSCE – Structural Engineering
28 Unit Minimum

Please enroll in the required courses unless you have completed them in a prior semester. If required courses have been completed, please enroll in the appropriate number of electives to reach the 8 units required to maintain full-time enrollment.

Please Enroll	If required courses have been completed, choose any approved electives below.
<ul style="list-style-type: none"> • CE 507: Mechanics of Solids (4 units)* 	<ul style="list-style-type: none"> Group 1 Electives <ul style="list-style-type: none"> • CE 599: Seismic Design of Structures (4 units)* Group 2 Electives <ul style="list-style-type: none"> • CE 531: Quantifying Uncertainty in Civil & Environmental Engineering (2 units)* • CE 529: Finite Element Analysis (4 units)*~ • CE 538: Prestressed Concrete (2 units)

* Courses available on DEN@Viterbi
~ CE 529 is an elective that is also available Summer 2026.
