

General Reminders

- A minimum of a 3.0 GPA must be maintained to be in good academic standing and graduate
- At least two-thirds of your coursework must be at the 500-level or higher.
 - For Progressive Degree Program (PDP) students, all coursework must be 500-level or higher. No 400-level courses will count toward your degree.

This is not a comprehensive list of requirements.
Review the [USC Catalogue](#) for Official Degree Requirements

Students working full-time should only enroll in 4 units.
Please reach out to your advisor if you have any additional questions.

If you have questions regarding policies or processes, please refer to the [Astani CEE Masters Advisement website](#). Any questions not covered on the website can be directed to your advisor on the [Advise USC platform](#). Due to the high number of requests at this time, it may take up to 3 business days to receive a response.

MS Environmental Engineering
28 Unit Minimum

Please enroll in the required courses unless you have completed them in a prior semester. If required courses have been completed, please enroll in the appropriate number of electives to reach the 8 units required to maintain full-time enrollment.

Water Track	If required courses have been completed, choose the approved elective below.
<ul style="list-style-type: none"> • ENE 527: Climate Change and Atmospheric Aerosols (4 units) • ENE 599: Potable Water Reuse (4 units) 	<ul style="list-style-type: none"> • ENE 505: Energy and the Environment (4 units)
Air Track	If required courses have been completed, choose the approved electives below.
<ul style="list-style-type: none"> • ENE 527: Climate Change and Atmospheric Aerosols (4 units) 	<ul style="list-style-type: none"> • ENE 505: Energy and the Environment (4 units) • ENE 599: Potable Water Reuse (4 units)
